### VILLA ALESSIA

#### ORNOS, MYKONOS

Villa Alessia is a spectacular hilltop residence commanding an exhilarating Bay and open sea views. Belonging to some of Mykonos' most coveted terrain stretches, guests of this lavish estate are moments from the ethereal sands and crystalline waters of Ornos beach. Spellbinding vistas over the Island's rocky coastlines and deep azure waters evoke the epic Greek mythologies of Homer and Odysseus.

Aesthetically immaculate interiors present a stunning marriage of classic Cycladic charm and contemporary chic sensibilities. Sun-bleached wood beams, rounded-edge interiors, and a sumptuous palette of beige, white, and alabaster curate an exceptional coastal ambiance. Floor-to-ceiling glass walls flood the free-flowing common areas with ample light, illuminating modern decor elements and shimmering precious stone walls. Well-appointed dining, lounge, and kitchen spaces fuse seamlessly together, curating an ideal space for entertaining and social spontaneity. A gorgeous floating staircase with Calacatta marble steps accentuates the outstanding sense of vertical dimension in the breezy interiors. A fully equipped chef's kitchen is outfitted with ample countertops and well-integrated high-end appliances, curating an ideal workspace for the budding chef or culinary professional. Eleven fantastic ensuite bedrooms are arranged across Villa Ageas' three-story primary estate and guest house. Four of the suites boast a private terrace with personal alfresco lounge furniture.

Villa Alessias' expansive exteriors offer no shortage of fantastic shaded and unshaded deck spaces, perfected for all-day or all-night entertaining or a light workout in the outdoor gym. Multi-level terraces leave no vantage point unexplored in soaking in the sights and the sun's replenishing rays. A focal infinity pool juts out dramatically towards the infinity Aegean horizon, offering a coveted spot for an evening wind-down with friends or family.
