# VILLA ANCHIE

TOURLOS, MYKONOS

Villa Anchie is an exquisite estate offering the purest expression of barefoot luxury. Lauded for its spellbinding natural beauty, this vacation residence commands extraordinary Aegean vistas from its authoritative hilltop perch. Prestigious Agia Sofia positioning places the estate within range of the Island's most enchanting coastlines and the enchanting Mykonos town.

Aesthetically immaculate interiors present a delectable marriage between Cycladic seaswept romanticism and boho-chic glamor. Sublime rounded edge interiors of purest alabaster appear sculpted from fine meerschaum with plenty of built-in shelving and majestic slanted arches. Subdued white, beige, and grey palettes are enlivened with spellbinding earth hues. Wicker, rattan, and roughhewn natural wood accents impart a soothing seaswept organicism to the interiors. Exposed beam elements lend plenty of rustic charm to the free-flowing Villa, punctuated with ample windows and swinging French doors. A spectacular living room is smattered with exquisite designer furnishings brimming with haute couture refinement. Villa Anchie presents nine sumptuous ensuite bedrooms pushing the bounds of Greek Island luxury living. Two suites are configured between two fantastically autonomous guest homes offering a pair of couples an exceptionally discrete romantic getaway.

Villa Anchie comes to its fullest expression with its spellbinding exteriors, spanning expansive Seaview decks, covered living areas, and romantic nooks shaded by lush foliage. A gorgeous main terrace juts out dramatically towards the sea, the waters of the freeform swimming pool fusing seamlessly with the glittering horizon. A fantastic outdoor cocktail lounge and alfresco space abound with exoticism, while an open-air cinema and massage area round off an exceptional getaway perfected in Hellenic luxury living.

## MYKONOS

### TOURLOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
