# VILLA ANTIGONE

ALEOMANDRA, MYKONOS

Villa Antigone is an astonishing residence ideally situated in Aleomandra, one of the finest locations in Mykonos. This prestigious area is lauded its high-end summer residences, and this villa is no exception with its serene privacy and proximity to Island beaches and attractions.

Dreamy Cycladic whitewashed architecture fuses with elegant contemporary minimalism—exposed beam ceilings, archways, and shimmering travertine flooring curate a space of ethereal radiance and beauty. A touch of post-modern glamor enlivens the sophisticated living room with jet black accents and alluring glossy furniture. The sparsely furnished minimalist character to the home accentuates space, facilitating a quintessentially summery ambiance. Villa Antigone is equipped with ten spacious bedrooms with en-suite bathrooms doused in chic island style, delicately toeing the line between luxury and authenticity. An additional two rooms for staff with a shared bathroom facilitate round-the-clock care.

Villa Antigone immerses guests into the epic semi-arid Island terrain. A bbq, sitting-dining area is shaded under a romantic pergola beckoning all day lounging embraced by balmy trade winds. Beat the afternoon hit with a dip in the extra-large infinity pool, dramatically jutting out towards the dazzling Aegean horizon.

## MYKONOS

### ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
