VILLA ATARAH

ALEOMANDRA, MYKONOS

Villa Atarah is one of the top luxurious and comfortable villas on the island of Mykonos. The residence is located in Aleomandra, facing the deep blue waters of the Aegean Sea, the historical island of Delos, and its colorful sunsets. It is located just 2.5 miles away from the town, a little more than 3 miles from the airport, and less than a mile away from Ornos. A true Mykonian jewel, though close to the cosmopolitan Mykonos Town, retains its seclusion and privacy.

The estate is impeccably designed to combine modern style with traditional Mykonian architecture. It is surrounded by various spacious white-stone terraces and relaxation areas as well as a huge pond-style waterfront infinity pool. The living room is decorated with elegant and modern white furniture. The fully equipped kitchen and formal dining area feature large windows and balconies overlooking the pool and the sea, offering a panoramic view of the Aegean sea. The residence features six sumptuous bedrooms accommodating up to twelve guests. The upper floor features a master bedroom with a TV and safe and two similar bedrooms, each with its own en-suite bathroom and private terrace. A guesthouse with a kitchen, bathroom, double bedroom, TV, and living room area is located outside the house and can be accessed by a separate entrance.

The captivating outdoors is defined by awe-inspiring vistas, fully immersing guests into the wonder of this paradise. The Villa features a beautiful swimming pool and a stunning marble deck with comfortable sun chairs that promise a relaxing morning and afternoon, and the two spacious outdoor dinings and BBQ areas are perfect for cocktail parties and open-air dinners.

LOCATION

- Water View

MYKONOS

ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
