VILLA BARBAROSSA

FTELIA BEACH, MYKONOS

Villa Barbarossa is a beautiful luxury villa gracefully situated at the hillside of the bay, within walking distance from Ftelia Beach. Ideally poised, this luxury villa is also in close proximity to shopping streets, bistros, and the famous nightlife spots of Mykonos. Offering spectacular views of the scenic coastline of the island, Villa Barbarossa leaves no guest unsatisfied.

The interior of this beautiful villa presents a glorious combination of contemporary European refinement and seaside romanticism. The living room is spacious and provides easy access to the dining room with a large door that juxtaposes a beautiful outdoor lounging and dining area outside of the villa where guests can socialize and entertain. An intuitive and inviting layout navigates between an open plan living area, a formal dining room, and a fully equipped gourmet kitchen. Seven exceptional bedrooms are exceptionally zoned-out across two levels for maximum guest discretion and autonomy. An additional room in the Main house is available for staff.

Villa Barbarossa comes to its fullest expression with its gorgeous outdoor amenities. Outside the villa, a vast infinity pool hugs close to the edge of the outdoor deck overlooking the beautiful sea, complete with loungers and a BBQ grill. A triumph of design, comfort, and convenience, this architectural masterwork is a gem of the Paros luxury vacation rental market.

MYKONOS

FTELIA BEACH

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
