VILLA BRIANNA

SUPER PARADISE BEACH, MYKONOS

Villa Brianna is one of Mykonos largest residential estates. It is perched on an upspoilt and rocky cape between the beaches of Elia and Agrari and Super Paradise. The estate affords endless views to the south, showcasing a panorama of islands: Donoussa, Naxos, Paros, Antiparos and Ios. This unique property is the most exciting villa to sparkle on the Mykonian scene for a long time.

The property consists of a central house, with the pool, the main communal spaces, and a private cinema. Built as satellites around that are a master suite, and then above that, a typical Mykonian house offers a further 4 suites with dramatic views. There is also an attractive gatehouse which has another double bedroom, a huge desk and a lap top with 32 inch screen plus bathroom. This building houses the estate professional kitchen.

The aesthetically landscaped grounds include a sweeping driveway and dramatic entrance rotunda, a secluded heliport, a cozy firepit and secondary entrance and access road. Moving through the charming gardens, a few steps away is the 15 meter lap pool with incredible views which can be heated to 36oC (with additional charge). There are sunbeds and a heated Jacuzzi plus an outdoor shower and marble pool bar.

MYKONOS

SUPER PARADISE BEACH

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
