VILLA CALLIOPE

ORNOS, MYKONOS

Villa Calliope is an astounding residence carved into a rocky hillside overlooking Ornos Bay. An enchanting rounded-edge facade of purest alabaster is embraced by retaining walls showcasing the rugged beauty of the terrain. This behemoth of Mykonian opulence matches its dramatic perch with awe-inspiring vistas overlooking the glittering bay waters, Chora town, and the endless Aegean horizon beyond.

Spellbinding interiors define the primary and secondary estate, with both unified in luxury philosophy and aesthetic vision. Gorgeous interiors present the ultimate merger of classic Cycladic charm and seaswept romanticism. Radiant white interiors offer the ultimate canvas for a host of nautical-themed decor elements and designer furnishings. Crisp linen slipcovers adorn alluring seating arrangements convening around a focal fireplace. Ample windows and swinging glass doors inundate the pared-down interiors with explosive bay vistas and deep-sea hues. Chic, bohemian yet exceptionally inviting interiors flaunt exposed beam ceilings and rounded edge elements that appear sculpted from pure meerschaum. Each home is exceptionally autonomous, with dining, living room, and kitchens maximizing comfort and discretion for each guest. Each has the same lodging configuration of a master suite and four double bedrooms, all with ensuite baths. This stunning residence may accommodate twenty guests between ten luxurious private chambers. Arched doorways, exposed beams, and rounded edges imbue the space with a breezy Island authenticity, while glossy modern tiling and ultra-chic tinted ensuites lend cosmopolitan seduction. Air conditioning, state-of-the-art entertainment, luxury toiletries, and cozy fireplaces equip Villa Calliope for all-season comfort.

Exceptional multi-level deck spaces are fully outfitted for lavish day or night entertaining. Pergolas line an outdoor dining table, barbecue, and bar. Guests may brush up on their backhand at their private tennis court while a six-vehicle capacity garage beckons exceptionally scenic road trips. The infinity pool and surrounding sunbeds are poised to deliver incredible sea panoramas on the property.

MYKONOS

ORNOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
