# VILLA CARISSA

HOULAKIA, MYKONOS

Villa Carissa is a spellbinding Mykonian residence belonging to the serene, untouched splendor of the northern Island. The estate's coveted hilltop perch delivers incredible sea vistas traversing rocky coastlines and distant Islands, evoking the epic mythologies of Odysseus and Homer. A classic rounded edge facade meets native stone textures perfected in the art of Greek Island luxury living.

Aesthetically immaculate interiors fuse quintessential Mykonian charm with modern bohemian panache. Cavernous interiors dazzle with rounded edge interiors seemingly sculpted out of fine meerscham, while exposed beam ceilings and gorgeous stone floors impart an earthy elegance to the free-flowing spaces. An intuitive floorplan is ideal for lavish entertaining with retractable french doors seamlessly integrating the outdoor spaces. Pristine white drapery grace the plush sofas adding a dreamy seaswept elegance to the airy interiors. Chic nautical decor grace elegant distressed wood furnishings imparting a hint of rusticism to the lounge and living areas. Spread across three levels, this home is configured to assure each guest the utmost serenity and discretion, while an additional guest apartment assures versatile lodging options for large groups. The villa is configured with five ensuite bedrooms in the main building and three in the second, accomodating sixteen guests in utmost comfort, discretion, and luxury. An additional staff room may elevate guest capacity or guarantee an around-the-clock tailormade luxury experience.

Extraordinary outdoor infrastructure is ideally outfitted for all-day and all-night recreation. There is no shortage of vantage points for soaking in the far-reaching vistas, from private balconies to the generous deck space and a pool deck. A plethora of shaded and unshaded outdoor areas. An outdoor wood-burning stove is an ultimate accompaniment to the catch of the day as guests lounge by the heated infinity pool, frosty cocktail in hand.

## MYKONOS

### HOULAKIA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
