## VILLA CASCADE

ALEOMANDRA, MYKONOS

Villa Cascade is a glorious waterfront estate perched in the coveted region of Aleomandra. A crisp white and textured stone facade is exceptionally embedded into the iconic rugged terrain, perched before some of the Island's most coveted wind-protected shores. Awe-inspiring Aegean vistas are paired with total seclusion, with an unspoiled stretch of sand awaiting residents a stone's throw away from Villa Cascade's main terrace.

Gorgeous interiors set forth an immaculate fusion of coastal romanticism and contemporary chic elegance. Sleek, breezy, and elegant living quarters enchant guests across three floors of elite living space. Echelons of svelte sliding glass, oversized windows, and wide openings maximize interaction with the outdoors from nearly every corner of the luxury Villa. Decadent designer furnishings pair with bohemian wicker elements curating a space at once sophisticated yet imbued with a familiar holiday ambiance. Warm, welcoming colors evoke the seaswept and sand-toned gradients, while a crisp, uncluttered sensibility is conducive to total peace of mind and zen calm. Lustrous and vivacious, Villa Cascade weaves seamlessly between indoor and outdoor spaces, offering no shortage of spaces for spontaneous get-togethers. This exquisite retreat sprawls on three levels and features six en-suite double bedrooms, two of which are master suites. The generous floorplan navigates across additional en-suite staff rooms and two open-plan kitchens, fully outfitted for round-the-clock white glove service. Villa Cascade may comfortably 12 guests in total comfort, discretion, and luxury.

Fantastic exteriors await, grounded with a gorgeous infinity pool jutting out towards the cobalt blue horizon. Stone retaining walls and bohemian rusticism make up romantic alfresco scenes wafted fragrant tradewinds. Wrap up a day in the sun in the therapeutic waters of the outdoor Jacuzzi, humbled by the moonlit splendor of the sparkling sea.

## MYKONOS

### ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
