VILLA CLEANA

AGIOS STEFANOS, MYKONOS

Villa Cleana is a stunning retreat built directly into a panoramic hillside location in the area of Agios Stefanos. The elevated location boasts one of the best views on the island. Sunsets from Tourlos are unique and enjoyable from every corner of the villa. A short drive will take you directly into the heart of Mykonos Town for dinner and drinks at the island's most iconic establishments. The most popular southern beaches are close, and the Marina provides private yacht charter access just two minutes away.

With 4,628 sq. ft. of living space, the indoor spaces are airy and mix natural elements with innovative interior decor. Modern amenities are featured throughout, including unique touches such as the wine cellar, your home cinema, and a gym for fitness enthusiasts. This oasis has a main house that hosts the interior living and dining spaces, four bedrooms, out of which the two are masters, all with en suite bathrooms. The second unit allows its large room apartment to be separated into two bedrooms, providing versatile lodging options for groups.

The outdoor area features an imposing infinity swimming pool with an elegant wooden sunbathing deck to boot. Lounge areas prominently feature in the villa's architecture, while a stylish outdoor dining area is equipped with a BBQ for al-fresco dining and summer grilling.

MYKONOS

AGIOS STEFANOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
