VILLA DANI

ORNOS, MYKONOS

Villa Dani is an ultra-contemporary sea view estate nestled in the serene enclave of Ornos. A premier luxury vacation rental, the villa offers a rare blend of privacy, elegance, and full-service comfort on the cosmopolitan island of Mykonos. From its elevated setting, guests can take in 180-degree views of the sea that stretch to the lights of Mykonos Town and the charm of Little Venice.

A masterclass in refined comfort, the living room pairs sculptural furniture with effortless spatial flow, forming a tranquil yet elevated setting ideal for intimate gatherings or quiet reprieve. Custom, olive-green, curved sofas anchor the room in organic elegance, while muted, earthy tones and tactile textures echo the surrounding landscape. The sleek, contemporary fireplace wrapped in honed travertine serves as a striking focal point, balancing warmth and sophistication. Across the room, a flush-mounted TV blends seamlessly into the design, offering discreet access to premium entertainment. The sleek kitchen features custom cabinetry and a striking marble breakfast island, flowing into a stylish dining area ideal for intimate gatherings. Seven spacious bedrooms accommodate up to 14 guests, each designed as a private sanctuary with soft neutral tones and curated decor. An additional separate living room offers a convertible sofa for added flexibility. Wellness is woven into the experience with a private gym outfitted with premium equipment and a tranquil sauna for post-workout relaxation. Every element has been considered to offer seamless comfort and aesthetic harmony.

Outside, panoramic views of the Aegean Sea define the villa's sun-drenched terraces. A heated infinity pool appears to merge with the horizon, while the outdoor hot tub offers the ultimate spot for sunset unwinding. Generous lounge areas, al fresco dining, and shaded pergolas complete the setting, allowing every moment to unfold in luxurious ease.
