VILLA ELENi

ALEOMANDRA, MYKONOS

Villa Eleni is an astounding luxury complex peering into the purest distillation of Mykonos' savage natural beauty. Spellbinding terraced gardens traverse gardens and boulders to a serene private cove of crystalline Aegean waters. The rugged majesty of the estate is only matched by the stature of this stunning hilltop estate, steadfastly merging supernatural beauty with world-class luxury amenities.

Wondrous interiors fuse seaswept Cyclaidan romanticism with bohemian chic panache. Pristine rounded edge interiors appear sculpted from fine meerscham across a free-flowing floorplan navigating past finely arched doorways. A gorgeous open concept living and dining area flaunt lovely natural exposed beam ceilings, enhancing a delectable seaswept elegance. Sparsely yet very deliberately furnished, each decor element and furnishing appears integral to a harmonious aesthetic whole, curating an uncanny ambiance of Zen calm and well-being. Ultra-plush sectionals are draped in crisp linen slipcovers, while rustic rattan accents impart a timeless country home charm. Curved elements abound in Island romanticism, from the built-in alcoves and shelving to the gorgeous repurposed fireplace brimming with alabaster purity. A masterclass in understated luxury, Villa Eleni is proof that the exquisite is always found in the details. This spectacular Mykonos luxury villa rental presents 7 sumptuous bedrooms accommodating 14 guests in utmost comfort in 7 double bedrooms, discretion, and elegance while four separate kitchens give you the opportunity to try your hand in creating your own culinary experience. One more room is equipped and ready for any staff you might need.

The magic of Villa Eleni comes to its fullest expression with its one-of-a-kind resort-style exteriors. A rugged rocky coastal landscape evoking the epic Greek mythologies of Homer and Odysseus captivates guests across fragrant gardens, majestic boulders, and lush walkways. A focal pool deck with a cabana presents an uncaded pinnacle of Greek luxury living embraced by stone retaining walls. A secret sunbathing platform is poised amongst the rocks before a semi-private stretch of unspoiled coastline, rounding off Mykonos' crowning luxury vacation rental.

MYKONOS

ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
