VILLA EVERLY

ALEOMANDRA, MYKONOS

Villa Everly is an extraordinary coastal masterpiece, epitomizing the pinnacle of Hellenic luxury. Perched majestically atop a commanding hill, this architectural gem unveils breathtaking Aegean vistas, offering an unparalleled vantage point over the azure waters below. Secluded in serene privacy yet mere moments from the island's most coveted beaches and the vibrant allure of Chora town, Everly provides an immersive gateway to the quintessential Mykonian lifestyle.

This exquisite residence effortlessly blends contemporary chic with a windswept romanticism, embodying a refined coastal glamour throughout. Clean, modern lines define expansive open-concept interiors where the boundary between indoor and outdoor living is blurred. The great room, awash in stunning hues of deep violet and twilight blue from the horizon, is graced by premium Italian furnishings. Soft beige and grey tones invoke a sense of natural warmth, while shiplap ceilings with exposed beams introduce a nautical elegance juxtaposed against the home's cosmopolitan allure. A minimalist aesthetic enhances the seamless flow of space, ensuring a profound connection to the panoramic seascape beyond. Perfectly suited for grand entertaining and intimate gatherings, the indoor living spaces transition effortlessly into shaded terraces and sun-drenched decks. The ultra-modern kitchen, equipped with state-of-the-art appliances, invites culinary exploration, particularly of the region's legendary seafood. Eight opulent ensuite bedrooms, each a sanctuary of comfort and sophistication, accommodate up to 16 guests in supreme privacy. The primary suite is a highlight, boasting a private terrace, a walk-in wardrobe, and an opulent spa-inspired indoor-outdoor bathroom, providing an unparalleled retreat.

Outside, the villa's alfresco areas promise pure indulgence. An infinity pool merges with the sea, while an expansive sundeck, outdoor kitchen, and bar create the perfect setting for unforgettable evenings against the ethereal backdrop of Mykonos.
