VILLA HALU

ANO MERA, MYKONOS

Villa Halu is a gorgeous Mykonos estate situated in the charming village of Ano Mera. Escape the crowds and indulge in the mystical inland terrain of the Island. Serene, private and exceptional, this property is nestled high on over an acre of terrain, embraced by majestic hills and boasting far-reaching views stretching to the rocky coastline and the distant Aegean.

The interiors present nearly 6500sq.ft of aesthetically immaculate living space, fusing crisp modern interiors with a beachy boho rusticism. A free-flowing common area ingeniously incorporates a multi-level floor plan for built-in seating. Sparsely yet deliberately furnished, exquisite natural wood finishes and wicker accents add depth to the rich monochrome interiors. A contemporary wood-burning fireplace is seamlessly embedded into the wall corresponding to Villa Halu's neat, streamlined and fresh character. A gorgeous living room features artful seating arrangements, tufted rugs, and plush cushions for breezy low to the ground seating. A whimsical hanging swing embodies the island lifestyle, while contemporary mood lighting invigorates the home's maritime artwork. Villa Halu presents nine sumptuous ensuite bedrooms with spacious wardrobes and high-end Treca beds. Exceptionally prepared for large groups, the estate presents two kitchens, living rooms, and outdoor areas offering each guest the utmost comfort and discretion.

Ano Mera's Villa Halu will have guests in cloud nine with its soaring immersive vistas. An expansive outdoor deck offers endless awe-inspiring views from the plentiful seating and poolside lounge arrangements. Dazzling nocturnal scenes await, with the glorious stone retaining walls and large infinity pool exquisitely lit.

MYKONOS

ANO MERA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
