## VILLA INNA

POULI, MYKONOS

Villa Inna is an astounding contemporary residence fusing eternal Hellenic charm with haute couture glamor. Prestigiously perched in the Pouli area, Inna commands vistas incorporating the rugged coastline and the glittering lights of Mykonos town. A gorgeous hilltop perch commands otherworldly sunset scenes that will dazzle the most well-seasoned luxury traveler. Interiors are a masterwork of Cycladic seaswept refinement and contemporary minimalist chic sensibilities. A sumptuous sunbleached palette of white and beige tones of raw travertine limestone accentuates the home's sculptural interiors while accentuating a delectable organicism. Wondrous rounded edge interiors and arches appear sculptured from fine meerscham, while coral accent walls and whimsical natural wood exposed beams revel in maritime rusticism. Oversized windows inundate the common areas with the fullest scope of Island panoramic views, making an exceptional venue for nocturnal entertaining. Bohemian furnishings accentuate a dreamy and soothing ambiance conducive to the most restful getaways. The stately dining room with the classically designed furniture stands elevated, enhancing Villa Inna's immaculate dynamism and free-flowing living philosophy. Nineteen guests are accommodated in utmost comfort, discretion, and luxury across eight fantastic ensuite bedrooms and two ancillary backup rooms.

Glorious resort-style exteriors match the pedigree of the interior design, complete with elaborate water features and exceptional alfresco decks. # MYKONOS

## POULI

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
