VILLA LEONILA

AGIOS LAZAROS, MYKONOS

Villa Leonila is a majestic Agios Lazaros residence, dramatically perched at the edge of a rocky hillside. Lauded for its commanding vistas over the Gulf of Ornos, this home redefines highlife luxury living. Far-reaching views stretch to the Delos and Rinia islands, delivering the most captivating sea views. Minutes from Psarou Beach and less than two miles from the town center, this estate is poised to enjoy a secluded ambiance at arm's length of the Island's top attractions and amenities.

Interiors abound with Cycladic authenticity and minimalist sensibilities. Pristine white interiors, exposed beam ceilings, and wood accents evoke the majestic rocky terrain of Mykonos. Dramatic arches and rounded interiors appear sculpted out of fine Meershcaum, beautifully refracting the ample sunlight. The great room's built-in window seating is nothing short of sublime. Pristine white furniture and a crystal coffee table enhance an ethereal airiness to the home, showcasing the beauty of simplicity. With quick access to the patio, Villa Leonila flaunts an incredible sense of continuity with the outdoors, making this fantastically autonomous home challenging to leave. Six opulent ensuite bedrooms capture the perfect balance of privacy and openness to the tranquil outdoor spaces.

The alfresco patios are furnished with plenty of pillowed loungers and pergolas, setting the scene for picture-perfect sunsets over the Aegean. Straddling two levels, distinguished guests may revel in an extensive outdoor living space exemplifying the finest of outdoor entertaining spaces. A teak deck embraces a stunning infinity pool before seamless sea views.

MYKONOS

AGIOS LAZAROS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
