VILLA MANDRA

ALEOMANDRA, MYKONOS

Villa Mandra is an astounding residence offering fantastic sea views and year-round sunsets along the Mykonos coast. Sitting on the ridge of the Aleomandra hill, yet almost entirely hidden from view, the estate benefits from a naturally privileged position, protected from Mykonos' prevailing winds. Facing directly toward the sacred island of Delos, Villa Mandra commands far-reaching vistas that stretch endlessly across the Aegean. Long revered as one of the most ancient financial and spiritual centers of the Mediterranean, Delos lends an almost magnetic sense of energy to the setting.

Interiors present a glorious combination of seaswept romanticism and boho-chic elegance. An innovative floorplan reinvents indoor-outdoor luxury with three whitewashed units convening around a gorgeous covered alfresco area of lightweight chestnut. This luxury Mykonos rental offers a masterclass in Cycladic charm and minimalist sensibilities, with subtle rounded edge accents and natural wood decor, capturing quintessential island breeziness. Sleek lines and crisp vertices make up thoroughly modern, lustrous interiors smattered with chic modernist furnishings. Neutral earth tones, stone, and wood textures dominate the estate. The courtyard presents the Villa's focal point, seamlessly connecting the living and kitchen areas benefitting from garden and pool deck views. Five bedrooms are exceptionally zoned-out across the property for maximum guest discretion and autonomy.

The gorgeous, expansive deck commands vertiginous views from its coveted Aleomandra hill perch. The exteriors flaunt an exceptional infinity pool embraced by sunbeds and loungers, beckoning unforgettable moments with loved ones before astounding vistas. An outdoor techno gym, sound system, and seductive lounge area before glistening Aegean vistas set Villa Mandra apart as one of Mykonos' premier luxury vacation rentals.
