## VILLA MAY

AGIOS STEFANOS, MYKONOS

Villa May is an exquisite Hellenic luxury residence commanding exceptional Aegean panoramas from its hilltop perch. Far-reaching views span the rugged coastline with quintessential white speckled facades perched along the seaside. Prestigiously posied in Agios Stefanos, this luxury rental affords the utmost discretion at a moment's notice from the bustle of Mykonos town.

Ultra sophisticated interiors present a potent merger of Cycladic elegance and contemporary chic refinement. Radiant white-washed interiors highlight a dynamic floor plan defined by crisp dimensions and vertices. Shimmering floors, gallery lighting, and saturated contemporary pieces impart a cosmopolitan sophistication to the interiors. A gorgeous living room dazzles in its simplicity, emanating a clarity of mind and harmonious Zen sensibility that place May within a category of its own. Crisp linen slipcovers shroud the alluring seating arrangement garnished with potent dollops of earth tones and rattan elements. Sparingly used natural timber accents and driftwood accents imbue subtle yet potent dollop of beachside romanticism to the space, demonstrating that less truly is more. Six fantastic bedrooms accommodate twelve guests in utmost comfort, discretion, and luxury. Private entrances, spa-inspired baths, rain showers, and sea views render each suite a private oasis of rejuvenation.

Spellbinding exteriors offer no shortage of shaded and unshaded deck space for soaking in the endless views and the replenishing sun. Rugged retaining walls are warmly lit, curating a magical alfresco ambiance enveloped by the fragrant sea breeze. A glamorous infinity pool juts out dramatically towards the horizon, offering the ultimate respite from the midday heat.

## MYKONOS

### AGIOS STEFANOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
