# VILLA MONTESSITO

TOURLOS, MYKONOS

Villa Montessito is a gorgeous residence situated in the prestigious Tourlos area. The views are just stunning, and its location is unbeatable. It is just above the port of Mykonos and only a 5 minutes drive away from town, making it an ideal option for those who really want to savor the world-famous restaurants and nightlife of Mykonos while privately withdrawing to this opulent retreat.

The Villa is built with an emphasis on space and comfort, featuring voluminous living spaces conceived with large window openings filling the interiors with natural light as well as stunning sea views. Modern elegance expressed through refined and expensive taste would be the most appropriate depiction of its style as it combines Mykonos white with fabulous quality, showcased through premium wooden floors and magnificent closets, comfortable white couches and handpicked furniture, or the fluffy white beds with their beautiful bathrooms and finally, a plethora of intriguing pieces of art that highlight the fine ambiance. The Villa features a total of ten bedrooms, eight of them located in the main house and in two separate guest quarters. A series of extra amenities, like the fabulous home cinema and an over-the-top gym at the garden level, further enhance the living experience on the premises.

Villa Montessito comes to its fullest expression with its gorgeous outdoor amenities. The outdoor sitting and dining areas, laid around the large pool and embracing the Aegean, are the ones getting all the attention. There is a large free-shaped heatable infinity pool where the guests can take a dip and escape the midday heat.

# MYKONOS

## TOURLOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
