VILLA TERRA

ALEOMANDRA, MYKONOS

Villa Terra is an exceptional estate prestigiously perched in Mykonos' stunning Aleomandra region. A masterclass in boho-chic romanticism, this property presents the ideal mix of Cycladic architecture with modern-day refinement.

The interiors feature classic rounded edges, artful arches doused in a rich pristine white. Glossy dark wood accents lend an impeccable touch of classicism to the dreamy interiors, the earthy theme corresponding to the exceptional stone tiling throughout and beyond the home. Built-in etageres and seating present peak Greek authenticity, the walls seemingly carved out of a fine pure stone. Refurbished wood detailing of the antiques dazzle in the sun-drenched crisp white spaces, pointing a timeless windswept elegance throughout. Merely looking at the photos, one can almost taste the balmy tradewinds wafting through the space, bringing with it the faintest saline sea aroma. Elegant and inviting, a glorious living room fireplace presents the ideal venue for downtime with friends and family. Villa Terra accommodates ten guests in the utmost comfort and discretion between five exceptional bedroom suites.

The outdoors are gorgeously conceived, featuring artful stone retaining walls evoking Greek Antiquity while shaded pergolas with canvas shading compliment cacti and local flora. Whimsical swingsets and natural wood accents create a delectable old-world feel splayed before the majesty of the Aegean. A sleek infinity pool reaches out to reach the sea horizon, embraced by sumptuous loungers.

MYKONOS

ALEOMANDRA

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
