## VILLA VIENNA

TOURLOS, MYKONOS

Villa Vienna is an exceptional villa that offers spectacular views in a seafront setting. Designed by a well-known architect and inspired by Ancient Greece Cycladic Architecture, this stunning property is minimal and modern. Located on a vast piece of land, this secluded estate gives you astonishing 360-degree views of Mykonos town.

Contemporary interiors put a modern spin on the Mykonian property, and eight suite-style bedrooms are spread out among the main and guest house. Creamy stone floors and soft touches make this magnificent home the definition of vivid sophistication. It features 613 feet of open glass doors that disappear inside the walls completely during summer, making the inside living area integrated with the outdoors. An iPad-operated home control system puts the property amenities at your fingertips.

The outdoor area features open terraces with lounge furniture and a sunbathing area that lets you take advantage of the Mediterranean weather. The infinity pool and Jacuzzi are perfect for cooling off or indulging in a soak while listening to a favorite playlist on the outdoor CSEED speakers that eject from the ground. The barbecue invites you to enjoy the views with a special meal at the al-fresco dining area while enjoying the astonishing views this home has to offer.

## MYKONOS

### TOURLOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
