VILLA VIRGINIA

AGIA SOPHIA, MYKONOS

Villa Virginia is a magnificent estate embedded in the hilly coastlines of the Agia Sophia region. Redefining the Hellenic luxury experience, this gated residence is specially curated for the most discerning clientele. Fantastic Aegean vistas unravel before guests from the property's authoritative positioning, while its coveted positioning places it within range of the charms of Mykonos town.

Spectacular interiors present a dazzling fusion of contemporary chic elegance and seaswept romanticism. Enchanting whitewashed interiors feature rounded edges and niches appearing sculpted from fine meerschaum. A showstopping multi-level great room abounds with artistry and singular bohemian styling, including a gorgeous granite kitchen Island seamlessly undulating from the fine flooring. A delectable palette of beige, grey, charcoal, and light timber comes to expression against sun-bleached timbers and earthy textiles, adding an exquisite sense of organicism to the space. Glorious monochrome earth palettes invoke the epic semi-arid landscape, with oversized openings disrupting the distinction between indoor and outdoor luxury living. Villa Virginia abounds with an exquisite sense of oneness and permeability with the exteriors, with stunning coastal vistas dousing nearly every square inch of the estate's interiors. The home comprises nine en suite bedrooms, ensuring plentiful indoor and outdoor space to accommodate large groups in utmost comfort. The villa features a hammam, and an outdoor gym for guests' convenience, while the fully equipped kitchen offers wine coolers and a Nespresso maker.

Villa Virginia offers endless amusement outdoors. The property entails a lovely traditional chapel, a state-of-the-art swimming pool, an alfresco dining area ideal for lively dinner parties, and two built-in BBQs. With an outdoor hot tub, and many lounge areas, it's hard to find anything missing for an unforgettable holiday.
