VILLA VIVIAN

PARADISIA, MYKONOS

Villa Vivian is an elegant and understated property, in close proximity to the coast, in one of the world's most sought-after vacation destinations, the island of Mykonos, the very heart of the Aegean sea. Perfectly melding into its natural surroundings, Villa Vivian demonstrates that the most minimal homes may prove to be the most luxurious.

Escaping the crowds in a pastoral stretch of coast, just above the hills surrounding the village of Agios Stefanos, the home exudes serenity and easy living, with its clean designs, reconciling functionality, luxury, and aesthetics. Villa Vivian is cutting edge, with an intuitive open concept floor plan, inviting plenty of light facing the sea. Lovely beige, grey, and white palettes allow accents such as wood beam ceilings and the exquisitely marbled bathrooms to pop in distilled beauty. The 4844 sq. ft estate sprawls the length of the road, maximizing panoramic views of the coast and the villages stretching over to Mikonos. With six en suite bedrooms, Villa Vivian proposes the utmost comfort, while a 24-hour on-site chef lets the guest embrace their vacation fully.

Panoramic sunset views dazzle guests, with plentiful outdoor, deck, and terrace space surrounding the pool. An area for yoga and training purposes, complete with a gym, make Villa Vivian a place for relaxation or recreation.
