VILLA WILMA

AGIOS STEFANOS, MYKONOS

Villa Wilma is a spellbinding luxury complex perched atop Mykonos' majestic rugged hillsides. Enchanting vistas abound from its perch with endless glittering waters and distant Island silhouettes evoking the epic mythologies of Odysseus and Homer. Spellbinding natural beauty fuses with twenty-first-century luxury amenities rounding off the idyllic Greek Island getaway.

The estate comprises a seven-bedroom main Villa and a fantastically autonomous three-bedroom guest home, offering guests the utmost discretion and lodging versatility. Aesthetically immaculate interiors fuse quintessential Mykonian charm with elegant contemporary chic considerations. Typical rounded edge manifest in gorgeous arched doorways and in-built alcoves as if sculpted from fine meerscham. Heavy douses of bohemian elegance find expression in stunning seaswept decor elements, natural wood accents, with Moroccan lanterns imparting a hint of exoticism. The interiors' airy holiday ambiance is supplanted with brash pop art, slick LED lighting, and sculptural lighting elements accounting for Villa Wilma's cosmopolitan allure. An innovative open concept lounge with rounded seating flaunts quick access to the lavish outdoors while omniscient sea vistas offer an unmatched backdrop. Meanwhile, the intimate guest house is steeped in pastoral romanticism, with warm earthy tones, rattan textiles, and textured native stone accents. Offering a spectrum of Greek island luxury, Villa Wilma is sure to dazzle a diverse and discerning clientele.

Wondrous outdoor facilities are fully outfitted for all-day and all-night entertainment. There is no shortage of vantage points for soaking in the ethereal far, reaching views between the two estates. Rustic thatched elements, woven chandeliers, and rugged native stone accents make outstanding lounge spaces. Indulge in the refreshing waters of an infinity and soaking pool while an outdoor clay oven and wood-burning firepit beckon the savory aroma of grilled fish.

MYKONOS

AGIOS STEFANOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
