SONOMA VALLEY

Four words to sum up the Napa Valley are: Elegance, opulence, sunshine and warmth. Many consider the valley to be one of the world's greatest wine-producing regions. In fact, there are more than 500 wineries to choose from, so visiting wine connoisseurs usually enlist the help of professionals to search the valley for top-rated wines to take back to their cellars. Whether you're an avid oenophile scouring the region for superb vintages or out on a mothers day getaway wining and dining, the Napa Valley delights guests far and wide.
