TOWNHOUSE CATHERINE

HELL'S KITCHEN, NEW YORK CITY

Townhouse Catherine is an astounding urban residence perched in the heart of Hell's kitchen. Prestigiously poised moments away from fine dining, theatres, and world-renowned art galleries, this vacation residence embodies the vibrance and exhilaration of the Big Apple.

Spectacular dimensions simulate the vitality and prestige of Manhattan luxury living. The luxury estate convenes around a triple-story great room overlooking larger-than-life paneled windows and clerestory accents. An Ulta chic living arrangement is inundated with natural light from an enchanting internal courtyard. Reinforced concrete walls and brick tiles impart an urban edge to soaring whitewashed walls. Century-old reclaimed woods enhance a romantic fireplace area, offering a striking homey contrast with the property's cosmopolitan sensibilities. Glass-railed mezzanines and shimmering Calacatta marble surfaces are animated during all hours of the die. Townhouse Catherine comprises six floors of clean lines, dramatic dimensions, and luxuriant finishes, with custom-built specifications gracing more than 7,000 sq. ft of elite living space. Multiple living and entertaining areas make up an entertainer's dream, while four private bedrooms and a unique master duplex present impenetrable oases of rejuvenation. Veritable highlights include the gourmet kitchen with modern appliances, a game room, an incredible integrated Smart Home system, and an elevator.

Vaunted for its outstanding exteriors spaces, Townhouse Catherine is a Manhattan luxury rental in a league of its own. Discerning guests may revel in the comforts of a bluestone garden, parlor terrace, and fifth-floor balcony. A massive rooftop deck poised before the iconic New York skyline takes nocturnal entertaining to vertiginous heights. LVH requires owners to comply with regulations for all home rentals within New York City.
