Mesquite 38 is an exquisite estate which redefines desert luxury living, offering four glorious acres in the heart of Thermal, minutes away from the Polo fields. This sprawling ultra-chic concept home curates an immaculate semi-arid playground finding beauty in the untamed wilderness of the Southern California badlands.

Glamorous white interiors radiate with the prestige of the world's finest contemporary art galleries. A luxurious great room embraced by oversized sliding glass walls is populated by pristine contemporary furnishings presenting the height of urban chic elegance. An intuitive and free-flowing open concept space offers plush seating arrangements. The elegant dividing wall integrates a terrarium, bringing the austere beauty of the desert flora inside. Minimal interiors revel in sumptuous hues of ivory, dark wood, grey, and beige, the monochrome palette resounding with cosmopolitan sophistication. Gorgeous wicker accents and marble countertops refract the ample sunlight beautifully. According to the home's free-flowing character, plentiful windows imbue the sleek common areas with a sense of permeability, ideal for lavish entertaining and guest congregation. Eight exceptional bedrooms present the paragon of comfort and discretion for sixteen guests. Guests may start their day in a fitness room with energetic workout.

Inspired by the glory of the desertscape, Mesquite 38 places an onus on its exceptional exteriors. Native flora adorns natural pathways weaving to a fire pit and multiple sports courts, including tennis, volleyball, and bocce. A domineering swimming pool and adjacent pool house offer the ultimate respite from the desert sun.
