THREE THUMBS UP ESTATE

VISTA SANTA ROSA, PALM SPRINGS

Three Thumbs Up Estate is a stunning Mediterranean-styled Villa straddling a serene private lake. This prestigious desert getaway is a veritable triple-threat, flaunting an exceptional Vista Santa Rosa location, aesthetic excellence, and unmatched natural surroundings.

Grandiose interiors showcase influences of European classicism, oriental exoticism, and bohemian rusticism. This uncanny combination dazzles guests in the great room, stately dimensions emphasized with enormous arched, glass sliding walls. Exquisite barrel roll wood-paneled ceilings speak to exceptional craftsmanship and precision, meeting the historical intrigue of the focal stone fireplace. Intricate Southeast Asian cabinetry complement the focal straw-colored marble of the fireplace, the tenuous alliance of European elegance and decadent orientalism well balanced throughout. Conceived by renowned designer Narendra Patel, this primary residence presents four ensuite bedrooms, a powder room, a large kitchen, and a circular breakfast room. Patel's extensive use of glass and wood combinations flows seamlessly through the multiple indoor to outdoor spaces, ample rotunda spaces curating spontaneity and guest intermingling. A fantastically autonomous guest home is perched across the lake, assuring utmost lodging versatility and comfort for each of Three Thumb's eighteen guests. The home features four rollaway beds/cots and two sleeper sofas for additional sleeping options.

This home features an exceptional outdoor living area with ample covered entertainment spaces. These unmatched resort grounds boast a beach entry pool and spa before the tranquility of the lake, a waterfall feature imbuing the outdoors with zen serenity.
