VILLA CAROL

PALM DESERT, PALM SPRINGS

Villa Carol is an enchanting Palm Springs estate doused in the regal exoticism of Moroccan architecture. This palatial residence is perched within the prestigious Bighorn Golf Club, matching the austere beauty of the desert-scape with unadulterated oriental opulence.

A veritable architectural feat, this Imperial residence is the product of meticulous research and the craftsmanship of Moroccan artisans. The interiors are painstakingly outfitted with timeless Moorish designs and thousands of square feet worth of Zellige tiles. Oriental decadence meets contemporary sensibilities, with palatial dimension and authentic horseshoe arches supplanted with high-end modern furniture. Four decadent private suites define the main residence, the crowning master flaunting organic bedding, an ethereal chandelier, and disappearing doors to a lap pool. Dazzling accent walls and Venetian plaster finishes sculpted in fantastical shapes invoke the timeless mystique of the past while firmly rooted in the comforts of the present. An astounding grand room is graced with purely bespoke furnishings featuring two fireplaces and an expansive indoor atrium replete with king palms and lush landscaping. A custom-designed and engraved 30'x40' retractable glass ceiling encapsulates Villa Carol's regal living philosophy at the confluence of the grandiose and exquisite.

Unmatched privacy meets outstanding recreation, with the Villa grounds home to a mammoth 807 sq. ft lap infinity pool and a 430 sq. ft round reverse infinite edge pool. Indulge in a world of bodily bliss with an indoor and outdoor spa at your disposal. Revel in the Hammam, massage rooms, steam rooms, and baths. Lush landscaping is graced with date palms, mature olive trees, exotic birds, and gardenias, rounding off an oriental paradise at the edge of the Californian Badlands.
