VILLA SOPHIA

PALM DESERT, PALM SPRINGS

Villa Sophia is an astounding contemporary residence presenting the purest distillation of desert luxury. This gorgeous modern estate is perched in the wondrous expanse of the desert, commanding breathtaking Valley views from the foothills of the Santa Rosa Mountains. Sleek glass-encased exteriors juxtapose dramatically against the exceptionally rugged terrain, making for a truly one-of-a-kind luxury experience.

Contemporary chic elegance meets ultra-sophisticated minimalist chic sensibilities, emphasizing the scale of the architectural interiors and the scintillating qualities of the materials used. Presenting 5300 sq. ft of unadulterated opulence, guests will be taken aback by the sheer stature of the common rooms, defined by striking dimensions and dramatic vertices. Oversized sliding glass walls instill a tremendous sense of lateral space, matching the epic scope of the mountainscape views it commands. The generous desert sun refracts beautifully across the lustrous open spaces, enhancing a sense of grandeur, airiness, and oneness with the savage natural beauty on full display. Soaring ceilings, polished concrete floors, and sparse designer furnishings cultivate an exceptional space pushing the bounds of luxury residential living. The chef's kitchen is a dream come true with Smeg appliances and custom finishes. Four exquisite bedrooms accommodate up to eight guests in utmost comfort, discretion, and luxury. Bodily bliss awaits with each suite outfitted with premium mattresses and linens and lavish spa-inspired ensuites. For added convenience, this home also features two washers and dryers.

Perched mountaintop, guests may indulge in the therapeutic waters of the saltwater infinity pool with the entirety of the Coachella visible from the home's coveted perch.
