Penthouse Spencer is the ultra-prestigious crowning residence within the upscale Madeleine neighborhood of the famed eighth arrondissement. Situated in the prestigious quarter of the Elysee Palace, it is not surprising for the distinguished guests of this Parisian luxury penthouse to cross paths with the Fifth Republic's political elite.

Perfected in the art of contemporary chic luxury living, Penthouse Spencer dazzles with its striking combination of form and function, positing a philosophy of understated luxury and utmost comfort. Spanning the sixth, seventh and eighth floors of the iconic neoclassical building, this suite offers 3,950 sq ft of elite living space. Carrying the prestige of Paris, this sublime urban vacation rental presents a sleek and chic design with free-flowing open concept spaces emphasizing depth and dimension. Echelons of oversized windows and architectural skylights emphasize the deep terracotta colors of the sectional and chaise lounge, creating an area of exceptional warmth and sophistication. A clever play of textures and color runs throughout the apartment, with orange tones, stone, and soft velvets offering a delectable motif. Lavish amenities are included in a stately 645 sq. ft master bedroom and the remaining two guest suites, each outfitted with a dressing room and en suite bathroom.
