TOWNHOUSE LA MAISON

ILE SAINT-GERMAIN, PARIS

Townhouse La Maison is a one-of-a-kind riverfront estate perched on the serene Islet of Ile Saint Germain. Neither Rive Droite nor Rive Gauche, this gorgeous riverfront property curates an oasis of discretion and tranquility, a romantic boat ride upstream from the city's historic core. This unique vision of Parisian luxury living comes courtesy of acclaimed designer Eric-Damien Lacombe.

Spellbinding interiors present a masterwork of industrial-chic elegance and urbane glamor. A focal double-story great room flaunts dramatic dimension and vertices, curating a dynamic sculptural space inspired by Mondrian's finest chef d'oeuvres. Sumptuous velvet upholstered furnishings flaunt scintillating silver textures next to a stunning custom fireplace. Modern and minimalist sensibilities enhance La Maison's striking dimension, with neutral earth tones interrogating the distinction dichotomy between the synthetic and the organic. Oakwood and steel blend perfectly, curating a thoroughly modern property automated with the latest audiovisual and smart home technology. Loadbearing beams, concrete plaster finishes, and expansive glass walls define this ultra-chic residence. This trophy property features an intuitive free-form floorplan conducive to lavish celebrating or impromptu cocktail soirees. Teeming with unique highlights, Townhouse La Maison features an independent studio, music room, gym, and hammam. Four sumptuous bedrooms perfected with haute couture stylings and pared-down sensibilities accommodate eight discerning guests in utmost comfort, luxury, and discretion.

This exclusive Parisian vacation rental presents a vast reception room opening onto a large teak terrace. A focal swimming pool dominates the deck, embraced by lush gardens and Seine river access. A private boat fitting eleven, directed by an experienced skipper, beckons outlandishly romantic escapades with friends or family.
