CRITERION AT THE COLONY

WHITE PINE CANYON, PARK CITY

Criterion at the Colony is a magnificent mountain modern estate set among towering aspens within The Colony at White Pine Canyon, one of Park City's most exclusive residential enclaves. Sweeping mountain views and a babbling stream create a serene alpine sanctuary, with the slopes of Park City Mountain and the shops of Canyons Village close at hand. Equally enchanting in winter and summer, this Park City luxury vacation rental belongs to the most exclusive tier of mountain living.

Interiors present a sophisticated fusion of mountain lodge warmth and contemporary refinement, with timber-beamed ceilings, stacked stone and walls of black-framed glass. The great room gathers around a stone fireplace beneath a halo chandelier, where plush sofas and cozy throws invite fireside lounging. A formal dining room sets the scene for elegant soirées, while the oak kitchen dazzles with a marble waterfall island and is complemented by a second catering kitchen. The residence offers seven bedrooms accommodating 22 guests in utmost comfort and discretion, several with private fireplaces, as well as a bunk room for younger guests. Bathrooms are spa-like sanctuaries with freestanding soaking tubs and dual oak vanities. A game room with a pool table, shuffleboard and wet bar, a home theater with a golf simulator, a gym, a sauna, wine storage and a home office ensure every guest is entertained.

Criterion at the Colony comes to its fullest expression outdoors, where landscaped gardens of native grasses and a rippling stream wind between the stone-and-timber wings. A covered terrace with al fresco dining, a BBQ and a plush lounge offers front-row views of golden aspens, while a bubbling hot tub and sun loungers invite après-ski relaxation. With a dedicated ski room and garage, every mountain day begins effortlessly.
