## VILLA MICHELLE

DEER CREST, PARK CITY

Villa Michelle is an exceptional mountain residence that combines classic and contemporary. Claiming Deer Crest's most coveted ski-in ski-out location, this Villa assures total seclusion and privacy. An exceptional luxury getaway beckons in a luxury home reflective of awe-inspiring mountain surroundings, complete with a stunning stone and timber exterior.

Spectacular interiors are a masterwork of Americana charm and frontier town rusticism. Dramatic vaulted interiors are clad with lovely stonework and native Utah timbers enveloping guests in a warm amber-hued embrace. Buxom riveted leather armchairs, ultra-plush upholstery, and decadent textiles convene around an ultra-cozy fireplace completing an idyllic snowed-in scene. An open-plan configuration is conceived for casual entertaining or lavish affairs, with a classy, great room complete with a custom stone fireplace overlooking spellbinding mountain surroundings. A modern gourmet kitchen brimming with provincial charm integrates functionality and style and has everything a connoisseur of fine living might desire. The formal dining area features a large dining table with a shimmering chandelier and accommodates up to ten. The plaza-level theater room is designed with an emphasis on entertaining. Test your billiards skills or serve cocktails from the wet bar in the ultimate game room. The house also features a spacious ski-prep room with custom ski lockers. Villa Michelle offers seven sumptuous bedrooms accommodating guests in total comfort, discretion, and elegance.

The deck presents a generous outdoor living and entertaining space where guests can enjoy soaking in the hot tub while taking in the uninterrupted vista from the deck, which has an outdoor dining table as well as a comfortable outdoor lounge seating area, and a grill for beautiful summer afternoons.
