PAROS

AMPELAS

Centrally located in the heart of the Aegean, Paros is a mainstay on Island-hopping itineraries. Its famously rocky coastline sculpts intimate sands and coves, making it the Cyclades' most romantic island. Don't be fooled by the touristy port town of Parikia; this island is chock full of enchanting fishing villages and quiet resort grounds that capture the spirit of laidback Greek living. A host of eccentricities make Paros a truly unique destination, colloquially known as the island of butterflies and kitesurfing. Glorious examples of archetypal Hellenic architecture abound, such as the beautiful blue-domed church of Agios Ioannis Detis, standing among Greece's finest. Hidden in plain sight yet loaded with cachet, Paros offers fertile ground for some of the world's most buzzed-about boutique hotels and opulent palatial Villas. Giving Mykonos a run for its money, Paros is a rising star and one of the Aegean's most exclusive enclaves of luxury living.
