VILLA ELECTRA

PARASPOROS, PAROS

Villa Electra is a radiant coastal sanctuary gracefully poised above the golden crescent of Parasporos Beach on the captivating island of Paros. This privileged residence fuses the timeless allure of the Aegean with effortless access to Parikia, the island's vibrant capital, where designer boutiques, elegant tavernas, and fine dining establishments abound. Gently elevated above the shoreline, the villa commands unobstructed sea vistas, capturing the island's famed sunsets and the tranquil rhythm of the coastal breeze.

Stepping inside, the interiors exude understated opulence, where modern Cycladic elegance meets curated design. The main living space unfolds in serene tones of sand and stone, complemented by plush seating, artisanal touches, and contemporary artworks that mirror the hues of the Aegean landscape. Expansive windows flood the room with natural light, while framing hypnotic views of sea and sky. Adjacent lies a state-of-the-art kitchen, fully outfitted for culinary indulgence with high-end appliances and sleek finishes, seamlessly blending function with finesse. Accommodating up to 12 guests, the villa's six refined bedrooms are each a distinct retreat, adorned with bold color accents, custom textiles, and carefully selected furnishings. Every suite boasts a spacious en-suite bathroom finished in polished marble, natural stone, and premium fittings, offering a spa-like experience in the privacy of one's own quarters.

Outdoors, Villa Electra unfolds like a private resort. A sprawling infinity pool appears to merge with the sea, encircled by designer loungers and vivid yellow parasols. An expansive pergola shelters the alfresco dining area, ideal for long summer lunches or candlelit dinners under the stars. PARADISE

PARASPOROS

Centrally located in the heart of the Aegean, Paros is a mainstay on Island-hopping itineraries. Its famously rocky coastline sculpts intimate sands and coves, making it the Cyclades' most romantic island. Don't be fooled by the touristy port town of Parikia; this island is chock full of enchanting fishing villages and quiet resort grounds that capture the spirit of laidback Greek living. A host of eccentricities make Paros a truly unique destination, colloquially known as the island of butterflies and kitesurfing. Glorious examples of archetypal Hellenic architecture abound, such as the beautiful blue-domed church of Agios Ioannis Detis, standing among Greece's finest. Hidden in plain sight yet loaded with cachet, Paros offers fertile ground for some of the world's most buzzed-about boutique hotels and opulent palatial Villas. Giving Mykonos a run for its money, Paros is a rising star and one of the Aegean's most exclusive enclaves of luxury living.
