VILLA LYRA

DRYOS, PAROS

Villa Lyra is an extraordinary hillside retreat nestled above the picturesque village of Dryos in the prestigious Golden Beach region of Paros. This striking coastal abode is carved into the natural rock of the mountainside, offering a harmonious blend of architectural innovation and rugged beauty. Surrounded by unspoiled landscapes and bathed in the soft glow of the Aegean light, the villa boasts uninterrupted panoramic views across the sea to the silhouettes of neighboring Cycladic islands. Its secluded setting ensures complete tranquility while remaining within easy reach of the island's celebrated beaches and charming local tavernas.

The interiors of Villa Lyra embody refined minimalism, where natural materials and clean lines create a sense of understated elegance. The expansive living area exudes luxurious comfort, with contemporary furnishings arranged around a space designed to embrace the outdoors. Sliding glass doors open wide to the terrace, inviting the sea breeze to flow through and dissolving the boundary between interior and exterior living. The open-plan layout features a sophisticated dining area and a sleek, modern kitchen, equipped with high-end appliances and designed for both functionality and style. The villa comprises four en-suite bedrooms, each thoughtfully designed to offer privacy, serenity, and a direct connection to the landscape, three of which open onto the front yard with uninterrupted sea views.

Outside, Villa Lyra continues to impress with its generous terraces and refined outdoor living spaces. Shaded lounges and sun-drenched patios provide ideal settings for relaxation and socializing, all oriented toward the villa's commanding sea view. PAROS

DRYOS

Centrally located in the heart of the Aegean, Paros is a mainstay on Island-hopping itineraries. Its famously rocky coastline sculpts intimate sands and coves, making it the Cyclades' most romantic island. Don't be fooled by the touristy port town of Parikia; this island is chock full of enchanting fishing villages and quiet resort grounds that capture the spirit of laidback Greek living. A host of eccentricities make Paros a truly unique destination, colloquially known as the island of butterflies and kitesurfing. Glorious examples of archetypal Hellenic architecture abound, such as the beautiful blue-domed church of Agios Ioannis Detis, standing among Greece's finest. Hidden in plain sight yet loaded with cachet, Paros offers fertile ground for some of the world's most buzzed-about boutique hotels and opulent palatial Villas. Giving Mykonos a run for its money, Paros is a rising star and one of the Aegean's most exclusive enclaves of luxury living.
