# VILLA HALEANA

NAI THON, PHUKET

Villa Haleana is a holiday haven set on a hillside above the beautiful Naithon Beach. Found along the northwest Phuket coast, the villa is well situated to explore the area's endless powder-soft beaches and rural landscapes. Fusing spectacular views, otherworldly nature, and delectable design direction, Villa Haleana is sure to dazzle the most seasoned luxury adventurer.

Dazzling interiors with a modern tropical style are arranged in pavilions positioned for prime sea and sunset views. The two-story villa is inspired by traditional Thai designs with bright, modern interior spaces and gorgeous marble and polished wood. The larger pavilion navigates between an open-plan living area, a formal dining area seating twelve, and a fully equipped gourmet kitchen. A dining area seating twelve flaunts breathtaking sea views. The smaller pavilion features a media room perfect for quiet nights in. Villa Haleana features six bedrooms accommodating twelve guests in utmost comfort, discretion, and style.

The main feature of the exteriors is the expansive roof deck terrace, presenting the ultimate venue for nocturnal entertaining before the sparkle of the Andaman Sea at night. A dining sala for eight lies to one end of the pool, while stylish black sun loungers are arranged at the opposite end. Indulge in blissful post-beach rituals, savoring a glass of bubbly under cover of darkness before the glittering lights of Phuket.
