VILLA WANG NAM JAI

PHUKET, PHUKET

Villa Wang Nam Jai is a stunning oceanfront villa that combines visual elements of Asian style architecture with a Western design by Arte Charpentier of France. Nestled in the quiet and protected development of Jomchang at the end of Millionaire's Mile, the luxurious property provides guests with the most exclusive and finest villa retreat in Phuket.

It is unique because it can be featured as a one-bedroom grand villa or a 4 bedroom enormous villa. The main living room is surrounded by full-length sliding doors which can be hidden making it room completely vulnerable to the fresh breeze of the Andaman Sea. The Master bedroom contains one of the most stunning views in Phuket as guests overlook the villa and witness Yachts and large cruise ships enter the Patong Bay during the high season. The bedroom also has a spacious ensuite bathroom and a sizeable bathtub to soak and relax after a day in the sun.

Stepping out the door will lead you right into the infinity pool overlooking the Patong Bay and the outdoor barbeque area capable of hosting ten villa guests.
