CASA LOS CHARCOS

PLAYACAR, PLAYA DEL CARMEN

Casa Los Charcos is a unique, secluded hideaway in Playa Del Carmen, only minutes away from the famous nightlife of Quinta Avenida. With its large stretch of pristine white sand beach and lushly landscaped gardens, this exceptional residence captures the essence of the ocean and the tropics at its best.

The villa includes a gorgeous dining and living room area and an impressive wood and steel aerial staircase leading to the upstairs bedrooms. The kitchen comes fully equipped with a center island breakfast bar. The villa includes three bedrooms on the top floor and two on the middle floor, while the office forms an additional bedroom on the ground all. All of the bedrooms feature air conditioning, ensuite bathrooms, superb media features, and easy access to balconies or terraces. There are master suites on both the middle and top floors one with a private balcony, one with a wrap-around terrace. Both include jetted tubs in their deluxe bathrooms.

The villa's ample outdoor living areas inspire open-air pleasures within steps of the Caribbean Sea. The pool reaches seven feet of depth and features a diving board, a jetted section with water massage, and a hovering hammock strung between towering trees. Sun loungers and armchairs beckon you to bask in the exquisite light or sip delicious drinks in the cool shade. The rooftop terrace welcomes alfresco meals and soothing soaks amid sweeping sea views.
