VILLA AL MAR

ALGARVE, REST OF PORTUGAL

Villa Al Mar is a luxury coastal estate tucked within the lush grounds of the acclaimed Vila Vita Parc. This vacation residence offers unparalleled seafront living in the Algarve, where striking cliffside panoramas meet world-class hospitality. Impeccably private yet effortlessly connected to the resort's five-star offerings, the villa presents an ideal retreat for those seeking elevated moments in one of Portugal's most exclusive destinations.

Soft coastal tones and sculptural design converge in this refined open-concept living and dining space. A custom wraparound sectional anchors the lounge area, adorned with artisan-woven cushions and flanked by natural rattan coffee tables. The dining area flows seamlessly from the lounge, crowned by a pair of woven pendant lights suspended above a pale oak dining table. Deep green leather chairs with natural wood legs offer an elevated contrast, encircling the table set for champagne and fresh fruit. A sleek modern fireplace and oversized flat-screen television complete the space, while full-height windows invite in soft daylight filtered through tailored drapery. Each of the three bedrooms is a private haven, thoughtfully appointed with en-suite bathrooms and expansive walk-in closets to meet the demands of elevated living. Echoing the home's calming palette of sage, ivory, and driftwood tones, the bedrooms of this luxury villa blend understated luxury with warm natural textures and bespoke design elements.

The villa opens to a private outdoor pool bordered by manicured gardens and lush landscaped lawns that cascade toward the ocean. A sun-soaked patio provides ample space for al fresco dining, lounging, and entertaining with captivating sea views, enriching the beauty of the Villa Al Mar.
