BOMBARDIER GLOBAL 6000

HEAVY, PRIVATE JETS

Bombardier Global 6000 is a pinnacle of aviation engineering. With a remarkable 6,000 nautical mile range and a top speed of Mach 0.925, this jet is designed to effortlessly traverse the skies while accommodating up to 14 passengers or 7 sleeping individuals. Its superiority is evident in its spacious cabin, which surpasses all competitors in its class, providing maximum comfort and an exceptional cabin experience.

Step into a world of refined elegance as you explore the technical marvels of the Bombardier Global 6000. Boasting the widest cabin in its class, this jet offers unparalleled roominess, ensuring every journey is a study in comfort and luxury. The spacious three-zone cabin is ingeniously designed to cater to your every need, whether you're conducting high-stakes business meetings or seeking moments of relaxation. With hardwood flooring in the galley and meticulously crafted seating featuring higher armrests and ergonomically shaped backrests, every aspect of the cabin is tailored for your utmost comfort and convenience.

Indulge in the epitome of opulence as you delve into the luxurious interior of the Bombardier Global 6000. Immerse yourself in a world of sophistication, where every detail has been meticulously curated to elevate your flying experience. The cabin exudes tranquility, with its remarkably quiet ambiance providing the perfect setting for both work and relaxation. Retreat to the private stateroom, complete with a sumptuous divan, expansive wardrobe, and lavatory area unit, offering unparalleled privacy and comfort during your journey. Whether you're embarking on a transcontinental business trip or a leisurely escape, the Bombardier Global 6000 promises an unforgettable experience that redefines luxury travel.
