BOMBARDIER GLOBAL 7500

HEAVY, PRIVATE JETS

The Bombardier Global 7500 is a remarkable testament to luxury and innovation in private aviation. With an impressive range of 7,700 nautical miles and a top speed approaching Mach 0.925, this aircraft provides unparalleled global connectivity, enabling flights of up to 17 hours non-stop. Whether jetting across continents or soaring above the clouds for extended periods, the Global 7500 ensures a seamless and indulgent travel experience.

The luxury rental Global 7500 presents four distinct living areas, complemented by a full-size kitchen and a dedicated crew suite. Passengers are treated to the revolutionary Nuage seat, designed for ultimate comfort with its deep recline feature. The cabin is flooded with natural light through its evenly spaced windows, providing every passenger with a coveted window seat. The kitchen is tailored in consultation with top cabin crews to deliver an unmatched culinary experience. This spacious aircraft comfortably accommodates up to 14 passengers or eight overnight guests, offering a serene and smooth flight experience with its precision-engineered wings. Crew members also benefit from a well-appointed Crew Suite, ensuring optimal comfort and privacy during long-haul journeys.

The Global 7500 also features advanced air purification systems, including HEPA filters, to maintain pristine air quality throughout the cabin, enhancing passengers' and crew's overall comfort and well-being. This jet combines exceptional performance with unmatched comfort and amenities. From its expansive living areas to its sophisticated kitchen and cutting-edge technology, the Global 7500 redefines the private jet experience for discerning travelers seeking luxury and convenience.
