Chateau Avignon is an astounding manor perched in the spellbinding pastoral environs of Provence. Previously owned by the Knights of the Order of Malta, This luxury vacation rental dazzles with centuries-old grandeur and rural serenity. This fascinating historical estate unravels a fascinating chapter of France's illustrious history dating to the eighteenth century.

Lustrous interiors retain the home's historic integrity with traditional terracotta tiling, exposed beams, and native stone accent walls. Modern pops of color curate a playful and elegant ambiance attuned to Provence's sunny clime. Flower print upholstery, romanticist landscape, and still life paintings act as nostalgic talismans of the past. A dreamy palette of pastel blues and greens against pristine white interiors offers an exceptionally inviting and airy space in unity with the leisurely pace of French rural living. Original limestone fireplaces, stately iron-wrought winding staircases, grand foyers, and brocade chairs invoke an eternal aristocratic prestige. Stately dining halls elevate epicurean exploration and gastronomic affairs to all new heights, while glorious sitting rooms and salons make up exemplary entertaining spaces, providing a remarkable luxury experience. This expansive estate accommodates up to eighteen guests in nine fantastic bedrooms, fusing Old European charm with twenty-first-century comforts. Guests staying at this exclusive residence may enjoy various services, including a dedicated chef and butler, event coordination, a personal advisor to ensure every moment is perfect, luggage-carrying services, and daily maintenance of the enchanting garden and pool. Furthermore, they may wake up to delightful breakfast services amidst fresh flowers and relish in the convenience of laundry services, babysitting, private chef, coaching, and massage therapy at their disposal.

Exquisite resort-style grounds retain the traditions of the Renaissance garden with verdant lawns and expertly manicured tree groves framing sunny days to ultimate effect. Soaring Cypress trees, vegetable gardens, and lush flower beds place Provence's natural bounties front and center. The swimming pool may be heated, while ample decks and a full-sized tennis court offer excellent relaxation and recreation opportunities. Belonging to the most exclusive tier of Provence luxury vacation rentals, Chateau Avignon provides a fabulous setting for weddings, birthdays, anniversaries, or conferences.
