CASA NAUTICA

MISMALOYA, PUERTO VALLARTA

Casa Nautica is an exquisite complex perched along some of Puerto Vallarta's most enchanting coastlines. Serene and secluded, this estate matches breathtaking natural beauty with unfettered luxury for the ultimate in Mexican coastal living. Overlooking sandy beaches, romantic coves, and the spellbinding majesty of the Pacific horizon, Nautica is a must-visit for those seeking total immersion into the elements nestled in the world-famous Los Arcos Nature Preserve.

A buxom stone facade exhibits gorgeous columns, arches, and ornamentations, harkening to a proud Hispanic architectural heritage. Oversized glass windows impart an exceptional sense of permeability and oneness with the natural surroundings, while the free-flowing interiors reveal an unambiguous European panache. Brick-arched ceilings and Doric accents accentuate a momentous stature and elegance, with salons merging seamlessly between another to a showstopping kitchen. Glossy Iberian tile mosaics embrace the space with finely lacquered imperial cabinetry curating a cuisine of outstanding prestige. A domineering granite kitchen Island takes center stage, iron wrought chandeliers and handpainted ceilings round off the area. Casa Nautica flaunts tasteful artworks, high-end furnishings, and cutting-edge electronics that reconcile high culture refinement with the latest in luxury living. Six bedrooms accommodate upwards of 14 guests in the utmost comfort, discretion, and luxury.

A veritable jewel of the Puerta Vallarta coastline, Casa Nautica fully embraces the outdoors. Seemingly endless wrap-around terraces, ample balconies, and veranda spaces leave no vantage point exhausted in soaking in the glory of the coastline. There is an incredible free-form infinity pool that juts beyond the ocean, outfitted with lounge chairs and a bar.
