VILLA LAS HAMACAS

CAP CANA, PUNTA CANA

Villa Las Hamacas is an astounding beachfront luxury residence doused in tropical exoticism. The unique estate partially resembles a treehouse, with robust wood pillars supporting parts of the home from the ground. This glorious sea view villa is one of Punta Cana's most coveted properties, having attracted the attention of international publications Elle Decor and Architectural Digest Germany.

This estate of ethereal beauty combines a bold luxury beach rustic direction with gorgeous Balinese architecture. Maximalist interiors are flush with exotic plants, fine wood, bamboo accents, and exotic sculpture. Southeast Asian and African decor elements meld harmoniously in an inviting living room. Colorful and expansive interiors flaunt globetrotting decor brimming with anthropological intrigue. Villa Raven abounds with a potent sense of adventure and vibrance while delivering 21st-century amenities. Each bedroom presents a world unto its own, presenting a unique gradient of Oriental opulence with double-height palapa roofs, glossy black wood floors, exotic archways, and Imperial door paneling offering the height of sophistication. The Master bedroom has an enormous king-sized bed, a spacious bathroom, and an escritoire overlooking the pristine waters. Six bedrooms equipped with ensuites present versatile lodging options ideal for medium-sized groups and families. An aesthete's dream, each corner of this home features immaculately appointed decor, capturing the delectable tropical island spirit.

Resembling the Island paradise we've always dreamt of, the outdoors features impressive multi-level scaffolding, presenting extensive covered deck and terrace space. A boardwalk path runs the home's perimeter, meandering through a wondrous tropical jungle. A gorgeous infinity pool extends towards the private stretch of coastline, while an additional jacuzzi presents a universe of bodily bliss. Palapa-covered pavilions offer an excellent opportunity for alfresco dining embraced by the refreshing ocean breeze.

PUNTA CANA

CAP CANA

Punta Cana resort town crowns the easternmost tip of the lushly jungled Dominican Republic in the Higüey municipality of La Altagracia Province. Being blessed with one of the Caribbean region's longest white-sand, palm-fringed "coconut coast" elevates Punta Cana into the realm of stunning Caribbean retreats. Its natural beauty in an idyllic setting, warm turquoise waters, and golden and white sand beaches with swaying palms gives a perfect backdrop for activities such as surfing, paddle boarding, ziplining or horseback riding. Delectable restaurant offerings, luxurious marinas, superb beachfront properties with ultra-indulgent spas and upbeat, yet relaxed island vibes, are at your choosing. Punta Cana is also a golfer's destination with 10 courses along the strip. Deep-sea fishing and diving for marine life and sunken ships all add to Punta Cana's prestige.
