# VILLA FRIDA

JOSE IGNACIO, PUNTA DEL ESTE

Villa Frida is an astounding modern beachfront estate in the exclusive coastal town of Puente del Este in Uruguay. Villa Frida boasts magnificent views, breathtaking natural surroundings, and stunning architecture sure to dazzle even the most seasoned luxury traveler.

Its exteriors harmoniously combine materials, including concrete and wood, exuding contemporary sensibilities and a sophisticated modern aesthetic. The Villa's brilliant architecture seamlessly integrates the expansive deck and veranda into the interiors, blurring the lines between outdoor and indoor living. Retractable glass walls ensure unobstructed sea views while a flattering glow animates plush upholstered minimalist furniture, which contrasts nicely against the home's beige, grey, white, and wood tones. Natural wood complements its open-concept layout and concrete walls, finding that sweet spot between contemporary beach houses and industrial chic.

Its outdoor spaces take full advantage of the home's unobstructed panoramic views of the South Atlantic. There is no shortage of vantage points with its expansive ground-level deck and rooftop terrace from where you can enjoy Uruguay's picture-perfect sunsets. Enjoy a quiet meal in its quaint courtyard or a refreshing dip in the Villa's pool set against glorious ocean views.
