VILLA KELLY

MANANTIALES, PUNTA DEL ESTE

Villa Kelly is a dazzling contemporary estate perched along the famed sands of Playa Bikini. Belonging to an exclusive ten-house strip, this home occupies some of the most beautiful stretches of Uruguayan coastline steps away from Manantiales, and a short ride to La Barra and Jose Ignacio. Spellbinding coastal views and otherworldly serenity merge with bold contemporary style outfitted to the highest standards of modern luxury living.

Pristine white interiors, double-height ceilings, and ample Fleetwood windows curate a beautiful free-flowing living space brimming with cosmopolitan sophistication. Endless glass instills an exquisite sense of continuity with the exteriors, while crisp white furnishings blend delectably with rustic low-profile accents. A veritable triumph of form and function, Villa Kelly feels uncluttered and spacious yet retains a distinct local flavor. Latin-style paintings add a generous dollop of saturated color to the pristine interiors, while roughhewn console tables impart an organic bohemian infection. An intuitive open concept layout supports casual get-togethers or lavish entertaining, with lustrous marble slab countertops and stainless steel appliances ready for unforgettable gastronomic experiences. This three-story modern minimalist home is fully outfitted with the latest smart home automation. Five spacious bedrooms leave no expenses spared with lavish spa-inspired marble ensuite bathrooms. Configured between the primary residence and a guest casita, Villa Kelly assures each guest the utmost discretion and luxury for multi-group or family getaways.

Spellbinding outdoor infrastructure is fully outfitted for all-day and all-night entertainment. Glass-railed terraces look unto a gorgeous expanse of verdant lawns merging with white sand beaches and the endless expanse of the Atlantic.
