VILLA SHAINA

JOSE IGNACIO, PUNTA DEL ESTE

Villa Shaina is an exquisite oceanside estate, perched along the famed sands of Brava Beach, just over a mile from Jose Ignacio. The home's coveted positioning assures guests the utmost privacy and discretion within easy access to local amenities from fine dining to cultural itineraries.

This gorgeous steel, glass, and stone estate flaunt ultra-sleek vertices and forward-thinking contemporary design. Shaina presents harmonious and dynamic spaces teeming with sophistication, at once minimalist and chic yet exceptionally cozy. Floor-to-ceiling sliding glass walls collapse the distinction between indoor and outdoor space, with chic rectangular dimensions and corner windows inviting in the glorious sea panorama. This three-story home presents 5382 sq ft of prime living space, excluding galleries and terraces. Interiors are light breezy and elegant, with serene neutral tones awash in the organic terracotta beige and light grey tones of the outdoors. Ratan chairs and mid-century modern furniture adds a subtle retro-futuristic inflection. This sumptuous five-bedroom estate accommodates guests in utmost comfort and discretion, each afforded gorgeous views, private balconies, or direct access to the dunes. A glorious in-home cinema will have guests looking forward to rainy days indoors in the basement, while the cocktail bar and pool table beckon late-night entertainment.

The exteriors feature exceptional outdoor entertaining facilities, including a large swimming pool, BBQ grill, pergola, and alfresco dining area. A private footpath navigates to the beach and a semi-covered gallery with a fireplace. Ideally suited for all-day recreation, there is no shortage of spots to socialize, dine, or sunbathe, allowing guests to easily commit to the coastal pace of life.
