VILLA ZEBIANNA

JOSE IGNACIO, PUNTA DEL ESTE

Villa Zebianna is a striking contemporary concept residence surrounded by the iconic dunes of Jose Ignacio. This luxury vacation rental reimagines coastal residential living with its bold design and avant-garde vision, sure to captivate the aesthetically curious. Perched on a bluff, this villa rental commands glorious views of the ocean and dunes and is just a few steps away from the enchanting sands of La Juanita.

This chic stilted property pops up from the dense brush, its uncanny quadrant shape offering an utterly unique take on the contemporary beach house. Industrial chic meets pared-down simplicity and romanticism in the estate's high-concept interiors. Its warm yet minimalist furnishings offer a blend of mid-century and Scandinavian aesthetics. Warm beige, timber, and white shades evoke the palettes of the dunes nearby, imparting an ethereal feel to the home. Floor-to-ceiling windows embrace the internal courtyard, as they offer majestic views of the ocean. Serene and sun-drenched, Villa Zebianna's novel configuration ensures total comfort and discretion. Its five ensuite bedrooms with oversized sliding porthole windows give the space a whimsical touch.

The Villa's concaved back is a stunning architectural feature that allows maximum interaction with Jose Igacio's serene shores. Its spacious decks offer no shortage of opportunities to soak in the sights or the midday sun. This luxury seaside rental also allows for indulgent alfresco entertaining, where you can enjoy a meal and spectacular views of the South Atlantic.
